In February, the state-mandated Family Life Curriculum will be taught to our third, fourth, and fifth grade students. The content involves personal/social development. The boys and girls will be taught these objectives separately. Each class meets one time for a 45-minute lesson. Mrs. Puckette teaches these skills to all 3<sup>rd</sup>-5<sup>th</sup> grade students. Objectives taught and materials used may be previewed in the school counseling office. After reviewing the curriculum and materials, parents may exercise the option of removing their child from the personal/social portion of the guidance and counseling program by completing a form available in the school counseling office. **This request must be made each school year.** Please contact Mrs. Puckette at (434) 477-5595 or email [wpuckette@campbell.k12.va.us](mailto:wpuckette@campbell.k12.va.us) if you would like to come by and review the Family Life materials or if you have questions/concerns.
