News from Mrs. Rinella

To promote reading around our school, bins of books can be found on the benches on each hallway. These books are free for students to read. Students can often be seen reading while they wait for their bus in the afternoons. If your family has new or gently used children's books that you'd like to donate to be used in our book bins, please send these into the office.

The holidays are nearly here and there is much excitement with our students and faculty. Soon we will be on winter break and we believe its important for students to enjoy time with family and friends. These days off provide an opportunity for our students to get some extra reading and math practice at home. Please remember that reading at least twenty minutes each day is important to grow in reading. Pick some good books to enjoy over the break.

Happy Holidays! Mrs. Rinella

News from Mr. Wells

Tis the Season! With the Holidays right around the corner, I would like to remind parents of the importance of keeping students in a consistent routine and attending school each day during this busy season. As a parent, I understand how busy our schedules can be. Thanks for continuing to promote hard work and good attendance.

I wish everyone a joyous Holiday &

News from Mrs. Milan, Sub School Counselor

I would like to thank the Concord Elementary School community for kindly welcoming me into your life. I have thoroughly enjoyed working with each of you!

I wish everyone a Happy Winter Break and New Year. Remember to press the pause button on the hustle of the holidays and spend quality time with your children. Your children will remember time spent with you and the time spent with you than the latest toy obsession. Quality time could include: reading a book, playing a favorite board game, or just running around the yard.
