### NEWS FROM MRS. RINELLA

Time flies when you are having fun! This has surely been the case this year with our **CES Superheroes!** We have loved seeing our students grow as readers, mathematicians, writers, scientists, historians and importantly, thinkers! As the school year begins to come to a close, we want to **thank** all of our families for your **support** throughout the year. We also want to say a **special thank you** to our **teachers** for their continued dedication to our children. **Teacher Appreciation Week** is May 6th-10th. Check out our PTA News for ways to say Thank You to your child(ren)'s teacher!

Tuesday, May 21st will be our **Bring Back the Graduates Day** where seniors from RHS will parade through our halls. All are welcome to attend.

Lastly, we will say farewell to **Mrs. Rosser** who retires this year. Thank you to Mrs. Rosser for instilling a love of books and the library in our students! *Wham!* **MRS. RINELLA**

### PTA NEWS!

What a **MARVEL-ous** year!! Teacher Appreciation Week is next week, May 6-10! We are excited to celebrate those who impact our children so much. **"Super Thanks"** forms should have been sent home now! If you would like to encourage someone at the school, have your student fill them out and send in \$1 to have their art work displayed! If you need more than the one, contact your teacher for extra copies. Each one costs \$1. The money will go toward helping to pay for our Field Day t-shirts!

A note of thanks to all parents and families for supporting our school through the PTA this year. What a blessing it is to work together to see something beautiful happen!

## ***NEWS FROM MR. WELLS***

It's hard to believe this is the final newsletter for the 2018-19 school year. This has been an "incredible" and powerful school year. Our students have shown tremendous growth in all content and have used their superpowers to accomplish their goals!

As we close the school year, I would like to take this opportunity to thank you, our CES parents/guardians, for your support and partnership as we work together to provide the best possible education experience for all.

I wish each family a wonderful and memorable summer! Remember to take some time to read, practice basic math facts, and spend some time outside. I look forward to seeing all returning students in August for the 2019-2020 school year! *KaPow! Mr. Wells*
