November Newsletter

PRINCIPAL'S MESSAGE:

As we begin the month of November, I am reminded of the many things we have to be thankful for at CES! We are thankful for our parents who send such fantastic students through our doors every day. We are thankful for our children who come to school and show CES Pride by being courteous, excited about learning and safe each day. And very importantly, we are thankful for our teachers and staff. Our dedicated faculty is working harder than ever to ensure all of our children receive the best possible education.

Parent/Teacher Conferences are Monday, November 23rd from 4:00-6:30pm. We look forward to conference time as teachers have the opportunity to touch base with parents about their child's progress and how they can continue to support the home/school relationship. Please contact the office after interims to schedule a conference time.

Happy Thanksgiving to all of our CES faculty, families and Concord community. Thank you as always for your support. Our future continues to be bright at CES!

-Mrs. Rinella

P.T.A News

Hi CES families! Thank you so much for all of the food, prizes, and especially the time & attendance you donated to the Fall Festival! It was so memorable and just plain fun! We have already begun the process for getting silent auction items for next year!

We are currently working on our catalog fundraiser. This has historically funded meals for teachers and the Santa's Workshop.

Next up is our Yard Sale/Vendor fair! It is November 7th from 8:00-1:00 p.m. Join us to shop or to sell...or both! The cost is \$10 a spot! See you there!

Joyfully Yours,
Renee McArdle
PTA President

CES CELEBRATIONS

We have many reasons to celebrate at CES! Below are a few celebrations we would like to "spot light" for this month's newsletter.

1. On Friday, October 23, CES was filled with students and families attending the Annual Fall Festival. A special thanks to our PTA for their tireless efforts in organizing and sponsoring this event.
2. On Thursday, October 29, many students were recognized for their academic achievement, perfect attendance, and most improved scholar!

imagine it, you
can achieve it;
if you can
dream it, you
can become it."**

MR. WELLS' MESSAGE

During the week of November 16-20, CES will celebrate American Education Week. This is a special time to honor everyone who makes a difference in the lives of our students. During this special week, we will honor bus drivers, custodians, cafeteria workers, secretaries, teacher assistants, parents, and teachers! Throughout this special week, take an opportunity to thank an adult who plays a vital part in your child's education on a daily basis.

If you would like to volunteer or donate a gift for a door prize, please call or email Mr. Wells.

Shine On!
Mr. Wells
