

April 2018 Newsletter

News from Mrs. Rinella It is now April and hard to believe we have less than two months left of this school year. Even though only six weeks of school remain, we still have multiple opportunities for parental involvement and participation in events coming up in April and May. Please see our important dates below.

Calling All Volunteers! April 15-21st is Volunteer Appreciation Week. We know our school and community is a better place because of all the efforts of our volunteers. As a Thank You, on Thursday, April 19th, we will be hosting a Volunteer Appreciation Afternoon Tea with Desserts. Volunteers who have given their time this school year are invited to attend any time between 1:30-3:30 on April 19th. To help us prepare, please RSVP by sending in your invitation slip or call the office. This is a "floating" event, meaning volunteers may stop in or stay the entire time. Thank you to all of our CES volunteers!

Our Campbell County Literacy Night is April 24th at Rustburg Elementary School with free dinner from The Lunchbox. Two sessions are available. Our Prek, K, and First grade session is from 5:00 p.m.-6:00 p.m and our 2nd-5th grade session is from 6:30 p.m.-7:30 p.m. Please RSVP using the flyer that came home or register online using the Campbell County Schools Webpage & Facebook Page. Literacy Night is a wonderful opportunity for students and their family. We look forward to seeing our families there!

Have you begun to make your summer plans? If your child received a letter recommending summer school and hasn't turned it in, please send it in as soon as possible. Students who are recommended for summer school are highly encouraged to attend. We make many decisions based on enrollment numbers, therefore we need all forms turned in. If your child needs a new copy of this form, please let their teacher know.

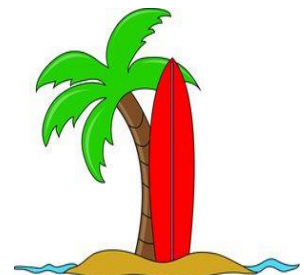

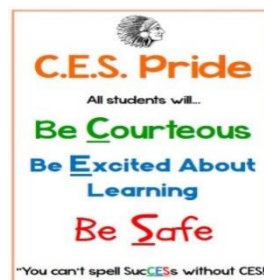

CES Pride, Mrs. Rinella

Important Dates

- April 18: PreK & Kindergarten
Registration 9 a.m.- 6 p.m.

please let Mrs. Litchford know.

PTA News

The Lunchbox in Rustburg is a great supporter of CES. Each first Thursday of the month, this restaurant stays open late until 8pm. CES PTA makes a portion of all sales on these days. Please continue supporting our CES PTA and The Lunchbox!

April 2018 Newsletter

News from Mr. Welles

The sounds of birds chirping, grass mowing, and students attending sports practice are all signs that spring is in the air! Although spring is a very busy season, it's important that we as parents keep a normal routine at home as there is still much to learn at CES.

With our busy schedules and long "to do" lists, I would like to encourage parents to keep school in the forefront of their mind. Please continue checking your child's agenda/planner and ensuring your child reads each night. Together, we can finish the year on "top of the wave!"

Attached to this newsletter is a copy of our upcoming SOL schedule for students in grades 3-5. Surf's Up! *Mr. Welles*

News from Mrs. Puckette

During our last classroom guidance lesson, students completed the grade level portion of their yellow classroom guidance/career folders that they work on each year. I sent the folders home with our 5th grade students since they completed their last portion. Be sure to check out your 5th grader's folder that they started working on when they were in Kindergarten (if they have been at CES since then). It's very sweet and fun to go back and look at their work.

This month, we are wrapping up our small groups for the year. I have learned so much about our students that have attended group with me this year. It has been a pleasure to work with your children. Thank you for allowing them to be a part of my small counseling groups.

Please contact me if there is something I could work with your child on through individual counseling.
