News from Mrs. Rinella

"Teachers teach because they care. Teaching young people is what they do best. It requires long hours, patience, and care." – Horace Mann

"A good teacher can inspire hope; ignite the imagination, and instill a love of learning." – Brad Henry

May 7th-11th is Teacher Appreciation Week. To show appreciation, students may purchase and decorate a "Wave of Appreciation" for their teacher with a \$1 donation and it will be displayed outside of the office. Our teachers at CES are particularly dedicated and hardworking to ensure our students are successful! This week and all weeks, we say thank you for everything they do to make a difference. Teachers do so much more than teach us to read, write, do math, learn about history, and test our experiments in science. They teach us how to be thinkers, innovators, doers, & dreamers.

Thank You & CES Pride! Mrs. Rinella

PTA News

Hello CES Family! Can you believe we have just a few short weeks left of our 2017-2018 school year? What an amazing year it has been. Our goal of getting swings is so close! Please be sure to send in any remaining chocolate bar fundraising money to make sure this happens.

Our Field Day shirts are going to look amazing. Please send in \$2 to the PTA to pay for your child's. As the year comes to an end, we still need your help with Teacher Appreciation Week and Field Day. If you can help, please message me on our CES Facebook page. If you committed to sending in door prizes, please bring them to school ASAP. Let's ride this "Wave of Learning" till the end!

Joyfully Yours, Renee McArdle

May 2018 Newsletter

News from Mr. Wells

As the end of the 2017-18 school year draws near, I would like to take this opportunity to thank parents for your support and partnership between home and school. I firmly believe in the proverb, "It takes a village to educate a child." A large part of your child's success hinges on the support you provide each day.

As we approach summer, take this opportunity to instill a love for books by reading with your child, visit museums and historical sites, and travel across our beautiful state. I wish you all a safe and enjoyable summer! Surf's Up! *Mr. Wells*

News from Mrs. Puckette

GOOD LUCK!

GOOD LUCK to all of our 3rd-5th graders and their teachers during SOL season. I believe in each and every one of you. Just relax and try your best!

THANK YOU!

I wanted to send out a BIG THANK YOU to all our CES families, students, teachers and staff for welcoming me as your new counselor this year. I love being back home at CES. I can't wait to make more memories in the years to come!
