

Concord Elementary School

-November 2020-

Message from Dr. Rinella Welcome to November and the 2nd Nine Weeks! This month reminds us how thankful and grateful we continue to be in this year of so much change. We encourage families to find the things you are grateful for as well!

This past week, we have held our first ever CES Election. Pride house animals were voted on by everyone. After all votes were cast and ballots were tallied, the following winning animals will represent each house: **Peppy Penguins for Positivity**, **Amazing Alligators for Respect**, **Truthful Tigers for Integrity** & **Determined Dolphins for Determination!**

Message from Mr. Wells

During the week of November 16-20, CES will celebrate American Education Week. This is a special time to honor everyone who contributes to the success of our students. During this special week, we will honor bus drivers, custodians, cafeteria workers, secretaries, teacher assistants, and teachers! Throughout this week, please take an opportunity to thank an adult who plays a vital part in your child's education each day. If you would like to donate a gift for a door prize, please call the school at 477-5595, email Mr. Wells at jwells@campbell.k12.va.us or send in the item with your child. Thanks in advance for your support!

News From Nurse Betsy

With the COVID-19 virus, allergies, and colds, good hand washing techniques are good to have. Teach your children to wash their hands after touching their face and nose area, and frequently during the day. Hands should be washed for 20 seconds. You can have smaller children sing the ABC song while washing hands. Hand sanitizer is also good to use. It's good to keep hand washing in mind to prevent the spread of germs, after all it is that time of the year. Help us stay safe at CES!

School Counseling with Ms. Herbert

Congratulations to our new "C-Team" members! Fifteen upstanding fifth grade students at CES were nominated to C-Team this past week. The "C" in C-Team stands for "character," and these students are expected to show good character and uphold the principles of CES Pride. In addition to being model citizens within our school, C-Team members will be responsible for several jobs that help us keep our school safe, healthy, and efficient! Please join me in congratulating our C-Team for the Fall/Winter. We are proud of these students! Kamryn Morrison & Anai Solis (Tickets), Brock Lundy (Car Rider Helper), Russell Baber & Elijah Loring (Breakfast Tables), Kamryn Leech, Kaylee Wooten & Marc Centeio (Hall Monitor) Amani Brogdon, Emery Crabtree, Grayson Gilliam, Lymier Gilbert, Rylan Barker & Gracie Ketz (Flags), Laylah Bierowski (Mitigation).

Dream on at CES! -Ms. Herbert
