NOTICE TO PARENTS

September 28, 2016

Dear Parents & Guardians:

As a parent of a student at Concord Elementary School, you have the right to know the professional qualifications of the classroom teachers who instruct your child. Federal law allows you to ask for certain information about your child's classroom teachers, and requires us to give you this information in a timely manner, upon your request. Specifically, you have the right to ask for the following about each of your child's classroom teachers **who were hired after the first day of the 2002-03 school year teaching in the following core academic subjects: English, reading or language arts, mathematics, science, economics, music, history, and geography:**

- Whether the Virginia Department of Education has licensed or qualified the teacher for the grades and subjects he or she teaches.
- Whether the Virginia Department of Education has decided that the teacher can teach in a classroom without being licensed or qualified under state regulations because of special circumstances.
- The teacher's college major; whether the teacher has any advance degrees and, if so, the subject of the degrees.
- Whether any teacher's aides or similar paraprofessional can provide services to your child and, if they do, their qualifications.

If you would like to receive any of this information, please call the principal, Whitney Rinella at 434-477-5595 or contact her through email at wrinella@campbell.k12.va.us
