#### New Students

A warm welcome goes out to our new students and their families. These students enrolled at CES since our first day of school. We hope to see you at our school events and encourage you to become involved in our community. You will soon see why Concord is such a great place to be!

#### Peace Keeping at CES

Please remind your children that CES offers mediation services when they are having conflicts with others. Mediation offers children a chance to learn the skill of problem solving in a safe and supervised situation. The first step is that they must let an adult know that a problem exists; we cannot help if we are not aware. It is our desire that all of our students develop tools for dealing with the challenges of daily life.

#### CES Green Team

This year the CES recycling program will be managed by **Clayton Keyes** in 5<sup>th</sup> grade.
