News from Mrs. Rinella

It has been with much excitement and anticipation that we once again welcome our students to CES to begin the 2016 – 2017 school year! As a community school, we have a great group of students, families and teachers dedicated to "Unlocking the Magic of Learning!" Learning is magical and can unlock many doors. From nurses and doctors, to police officers and firefighters, HVAC technicians, mechanics, engineers and military service men and women, the sky is the limit for where our children's education will take them. Parents can help by asking students about their day and finding out from their teacher how they can be involved in the learning. Being of support to your child and teacher is a "key" to their success!

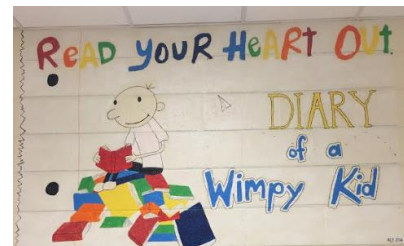

I want to give a special welcome to all of our new families. Please do not hesitate to let us know of any way that we can assist and serve you. Our goal is to help you feel welcome and answer any questions or concerns you might have as quickly as possible. We are looking forward to this being a magical school year for all our students and teachers. *"Unlock the Magic of Learning" -Mrs. Rinella*

News from PTA

Hi CES family! Welcome back! So begins another year of elementary school. Time is really moving fast with our little ones. Make the best of it! We want to invite you to join the PTA. This year, we have already seen many families join with the board serving meals and fundraising! Please keep an ear out for opportunities that work for your family and come show your student just how important school is...and how fun it can be!

Joyfully Yours,
Renee McArdle and CES PTA

Thank you Mandy Peters!

News from Mr. Wells

The 2016-17 school year is off to a magical start! Students are adjusting to their new teachers and classroom procedures and routines!

New this year, CES is implementing a positive behavior support system. This PBS system fosters relationships and promotes positive reinforcement. Each student in grades K-5 received a CES Pride card that is attached to a lanyard during the first week of school. Students may wear these as they travel to lunch, resource, and other places on school campus. Students earn a star punch when they are caught making a good choice.

The completed CES pride cards can be redeemed for various items. Students may choose to save the card to redeem for a more "expensive" item. Cards may be redeemed for items such as: sit with a friend at lunch coupon, lunch with a principal coupon, item from treasure box, ice cream sundae coupon, dance party coupon, and much more.

Students should look for our new C-Team to visit their classrooms starting the week of Sept. 12 to begin redeeming their cards. How many star punches has your child earned thus far?

As always, I look forward to serving our CES community!
Magically! *Mr. Wells*

Welcome to CES!

Ms. Koko Otey- Early Childhood Special Needs Teacher

Ms. Krista Johnson- First Grade Teacher

Mrs. Emily Fancher- Second Grade Teacher

Mrs. Christie Elder- Third Grade Teacher

Ms. Keandra Hunter- Fourth Grade Teacher

Ms. Christie Evans- Fifth Grade Teacher

Mrs. Sherina Baber- Instructional Assistant

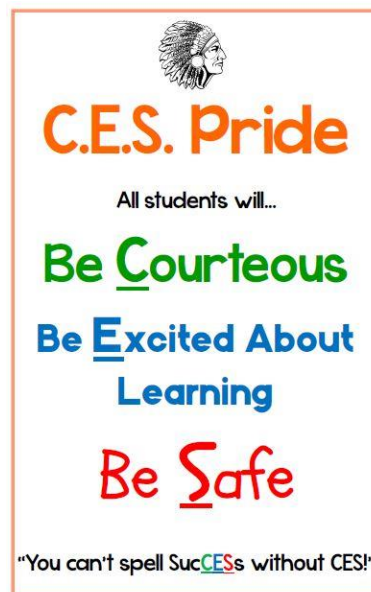

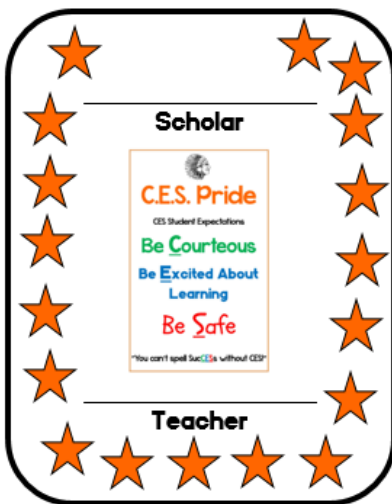

QUOTE OF THE MONTH:

"All our dreams can come true, if we have the courage to pursue them."
-Walt Disney

CES is Fully Accredited!

Once again, we are pleased to announce that we are fully accredited by the VDOE for the 2016-17 school year. To see a copy of our report card, click the link below.
